Hello and welcome to Mohair Magic Design

We specialize in hand knitted and uniquely designed mohair and angora and wool garments. We knit sweaters, dresses and other types of mohair apparel. There's hardly anything that couldn't be made of yarn. We offer you mainly sweaters in winter, as well as turtleneck sweaters, dresses, cardigans, shawls and many others that could come to our mind depending on the season.

Let me introduce myself and our work.

Three generations of my family are knitting fans. I don't remember than one of Christmas I didn't wear a new hand knitted dress since my first years. All girls and boys our family grew up wearing hand knitted clothes. As all of us have other occupations, my, besides that I am an economist, knitting designer's profession lets me start business already 30 years. And now I am proud to say that my customers are the people who make their choice from the greatest world designers. Besides that I am very happy to knit for new customers. I can guarantee the high quality of my job.
